Dear Jo Ann & John,  
I am still trying to catch my breath after the wedding weekend!

Thank you so much for "taking charge" of the wedding event for Lisa and Andrew.  
Your involvement and direction was the key factor in giving them the "Wedding of their Dreams".

I will follow up with written correspondence to you and our chosen wedding vendors, but wanted you to know how much we appreciated your help and support throughout the planning process.

My only regret was..... that we did not hire you from Day 1 of Lisa's engagement!

Thank you again,  
Judy Faulconer
