

Dear JoAnn and Jill -

I can't thank you enough for your help in making our wedding such a wonderful event. You have both been so great to work with, and I don't know how we could have pulled off such a fabulous evening without you. I already mentioned this to JoAnn by phone, but I also wanted to make sure you both knew how appreciative I am of Jill, Lacy, and Charles' efforts on the night itself, especially given the unexpected hiccups we ran into. You all were so calm, organized, and professional, and in my opinion the night turned out perfectly because of you. I don't seem to have emails for Lacy and Charles, but please let them know as well how grateful I am.

Jill, thank you SO MUCH for saving that seemingly insignificant ziploc bag and business card. I had no idea what the piece of paper was or meant until Sarah told me on Sunday morning, and I am forever in debt to you for not throwing it away! When you have a chance, please put it in the mail to me at: 718 4th Street NE, Washington, DC 20007. I'll then send it back to Sarah with the six pence in it. Whew!

I will be sure to send along photos to you when I get them, but in the meantime we have loaded the "guest book" photos on Colin's homepage. If you go to www.colinandsimona.com, there is a link at the bottom that leads you to the site. Some of the photos could have done without the flash against the whiteboard, but for the most part I think they turned out pretty well!

Please let me know if you need anything from me in terms of follow up. Also, for the future, I would be absolutely delighted to recommend you if anyone asks for a referral.

All the best,
Simona
