Wedding Consultants

Dear Jo Ann and John:

David and I wanted to take a moment to personally thank you for making our daughter Amanda's wedding a magical and unforgettable event. It is really hard to believe that thirteen months have past since we first met and Amanda and Daniel's October 27th wedding is now a beautiful memory.

From the moment we met you and John, it was obvious you possessed the expertise and experience needed to ensure Amanda's wedding was everything we wanted it to be. At that time, we had no idea how much you would come to care for our daughter in order to make sure her wedding would be perfect. It is obvious that planning beautiful weddings is more than just a business to you both. This was demonstrated by the time you spent understanding not only our daughter's needs and wishes, but also the needs and wishes of both the Mother and Father of the bride. This is perhaps the most important quality the two of you possess that enables you to create such awesome weddings.

As we look back now, it still feels like we were in a movie. Everything was absolutely beautiful and each and every guest wanted to make sure David and I knew this was one of the, if not **THE** most beautiful wedding they had ever attended. The firework display as the couple left the reception was simply magnificent.

We actually received a thank you from one guest who said:

"I wanted to personally thank you again for inviting Jon and me to Mandi's wedding and reception. Mandi was a beautiful bride!

It was evident how much care had been taken to plan the perfect wedding; every detail was exquisite."

Originally as you know, I was the Mother of the Bride, a self-sufficient project manager at a high tech company that thought I could do perfectly fine planning my daughter's wedding. I now know I couldn't have done it without the both of you. Because of you, I was able to enjoy my daughter's thirteen month engagement, the wedding planning process, the visits to the various vendors and most importantly the wedding and the reception without a care or worry. It is a night I will never forget and will live in my fondest memories forever.

The real testament to how wonderful the wedding was is contained in a note that Amanda and Daniel gave to us the next day. It said:

"Last night was very much a fairy tale. We could never thank you enough!"

This really says it all. So, from all of us, THANK YOU for the memories we will cherish forever.

Sincerely,

David & Vivian Henry

P.S. Thanks also for having such a beautiful Mom who we fondly refer to as Miss Charlotte. She was a joy to be around and we thank you for sharing her with us. 😊
