Dear Jo Ann and John,

I can't thank you enough for all your hard work and expertise in assuring the wonderful success of Lisa's wedding. Everything was just perfect!!! It ran like clock work and you thought of every little detail that evening. It probably was hard for you to work with me because I didn't want to relinquish control of the event planning prior to the last week, but you were a real professional letting me do it and I was confident that you could take over from me at the right moment.

We all had a great time: the bride, groom, The Kaminsky's, Dick and specially me.
Dick will write you a formal thankyou letter since he can do it better than me.

Regards,
Rosa
