Dear Jo Ann & John:

Crystal and I would like to thank you both from the bottom of our hearts for orchestrating the most beautiful day of our lives. Both of you should be proud of the efforts put forward to make our wedding successful.

Prior to writing this letter I was trying to think of a way to describe the job you guys performed, and the one thing that kept coming to my mind was that you were truly directors to our fairytale. You have mastered the fine line between assertiveness and friendliness which made it easy to follow your direction. No detail was passed over therefore our confidence going into the day was extremely high. The result of that high confidence was low stress.

Your thoughtfulness and preparation mean the world to us.

Warmly,
