Dear JoAnn and John,

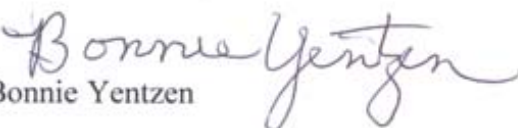

Lori and I are so happy we met with you and had you coordinate the wedding. We both realized quickly what an asset you are and we certainly made a wise decision. You guided us through the planning and coordination for ten months and kept us on track so we were never overwhelmed with too much at any time. You have great relationships with wonderful vendors and it saved so much time and money by going with your recommendations – we thought they all did a fabulous job.

Lori and I were calm and confident that everything would be perfect the day of the wedding. The wedding and reception were spectacular. We were able to visit with our guests, dance, and enjoy the evening. You made sure that Mike and I did not miss a thing during the reception – you always let us know when the first dance, dinner, cake cutting, toasting, etc. were getting ready to take place.

Lori and Jeff are back from their honeymoon and we've received numerous phone calls from friends and family telling us it was a beautiful and fun wedding. Our guests were impressed and enjoyed tossing the rose petals as Jeff and Lori were preparing to leave the reception – the photographer's pictures are amazing.

Thanks for helping us create a wedding with beautiful memories that will last a lifetime.

Fondly,

  
Bonnie Yentzen
